## A DAY WITH DIPPER

Morris Transport TV Showcase

Mid-February we were fortunate to engage Robert "The Big Dipper" DiPierdomenico visit the Depot. Peter and Murphy interviewed with Dipper and shared our transportation services, what we believe is important as a business and how vital the trucking and local community is.

Peter drove Dipper in one of our Kenworth T909 through the stunning South West Victorian scenery to visit different sites we frequent.

To see the history and journey of Morris Transport keep an eye on our social pages to see the date and time aired on Channel Nine NOW. Exciting times!
